

Egyptian Temples all inscribed with Know thyself
 Einstein said reality is an illusion, although a persistent one
 Nikola Tesla
 Unified Field Theory: everything is connected Your Emotional, Mental & Physical Health
 Wim Hof method

EDEGENETICS: Our perception changes our DNA → every cell in our body.
 Brain processes: 400 Billion bits of info per second, we only access 2000.
 Fool holds memory (Sunlight rays) (frequency). Red Beef (Low vibration, animals die)

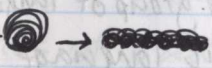

The Universe has no beginning nor end & neither do we.
 We are in spiritual warfare. } How we observe the universe
 Food is energy. }
 Everything is comprised of }
 everything. }
 Comes back to us. We live in the world we are thinking of.

Quantum Mother }
 Entanglement }
 Proves that mothers feel }
 separation is an illusion }
 an illusion }
 when something goes wrong (ie their death in war)
 Mirror neurons.
 Flattery is the highest form of flattery

Thoughts affect water. We are 70% water. What does that tell you?
 Whether or not you like your name tells you a lot, whether you like yourself or not. Your names are spells

The New paradigm is that magic is real.
 Synchronicities like radio on & song aligns, aligning noises, etc.
 are dependent on thought. Everything is connected. ^{I was just thinking about that!}
 Word is bond, Names carry energy
 Numbers are value neutral
 Dr. Bruce Lipton
 in agony emotional energy cannot be made or destroyed only transferred.

Belief is the program that which creates our reality.
 Your perception of you is all that matters.

Visualization } Space is the illusion of separateness.
 Vibratory ripples → Good thought →  The Ancients called it
 You CAN manifest out of "thin air" aka energy
 We are already writing space. We are the universe.
 Perfect as we are, but that doesn't mean we can't upgrade.
 Intention is the universe conspiring for you.
 Key is Transmute paranoia → paranoia

The future controls the past (higher dimensions)
